To: Russian Union of Exhibitions & Fairs

It is important to celebrate milestones and to this effect on behalf of the MICE sector in South Africa I would like to congratulate RUEF on the achievement of reaching 30 years of operations. RUEF continues to represent its members well and is well positioned within Russia and internationally to grow the industry. We have seen RUEF staff and members in action at various BRICS events and have no doubt that the association will continue to grow and thrive. Best wishes from South Africa.

Regards

Andrew Binning
